

CRYSTALITE REMOTE CONTROLLED DIMMER

Turn off your Tubular Skylight with a push of a button!

Crystalite is proud to unveil its newest product; the remote controlled dimmer. The dimmer allows you to adjust the amount of daylight entering a room with an easy-to-use remote control. It fits the 10", 13" and 21" tubular skylight models. Perfect for any room that may need to be darkened during the day including bedrooms, media rooms and conference rooms. The dimmer comes fully assembled and is easy to install.
